Dear Chris and Staff:

A year has come and gone since hurricane Charley and we have finally been able to put our home back to its original shape.

We know this would not have been possible without your very professional assistance.

Your staff came to our home and informed us of the procedures that would be taken by Florida Claims Consultants.

We felt very confident and assured that Florida Claims Consultants had our best interests at heart. How right we were.

Thank you again for your assistance, your concern and most of all that you cared.

Sincerely,
